

Dear All

On behalf of Sussex County Badminton I should like to invite a representative from the clubs across the county to join the Sussex County Badminton Management Team for a presentation by Badminton England of their strategy.

The meeting will be held on Tuesday 20th September at Brighton University, Pavilion Meeting Room 1, Village Way, Falmer, BN1 9PH. Arrival from 19.30pm for a 19.45 start. The meeting is expected to last 1 and a half hours depending on how many questions you have.

We have already invited your various leagues, along with coaches and we be delighted if clubs could also join us.

I should be grateful if you could let me know if you will be attending in order that I can ensure that I can ensure we sufficient space and if necessary get a bigger room..

Kind regards

Adrian Adams

Secretary Sussex County Badminton
